

Buildings and Grounds Meeting
June 20, 2022
Meeting Notes

Present: Jim Haff, Keri Bristow, Joe Rigoli

No quorum, so we had a discussion.

1. Boiler discussion stemming from DuBois and King report. To repair the boiler will cost around \$1,000,000. Boilers will be converted to water. Joe needs direction on ordering what is needed.
2. Johnson Controls discussion. Moving forward on addressing heat loss, etc.
3. Summer projects: Roof at Prosper Valley, put a 500-gallon propane tank in Reading. New propane heaters going into Killington. 10,000-gallon oil tank will be pulled at WES.

The discussion finished at 8 pm.

Respectfully submitted,
Keri Bristow
