BUS DISCIPLINE POLICY

The daily transportation of pupils is a privilege accorded by the school system. It is not a mandatory statutory requirement.

Students transported to school by school bus need to remember that upon entering the bus in the morning they are “in school”.

Students must follow the same standards of conduct and courtesy that are expected in the school classroom. (Drugs, alcohol, insubordination, littering, throwing objects, fighting, etc. will **NOT** be tolerated).

From time to time, a camera may be used on a bus to assist the Principal in the implementation of this policy.
